

CUFF CAMP

Texas Orthopedic Specialists

*Questions or concerns about your upcoming Rotator Cuff Surgery?
Make plans to attend Cuff Camp for more information.*

We want you to be better prepared for your surgery. Cuff Camp will give you the opportunity to learn everything from preparing for surgery to being discharged and beginning your recovery. This is *your* chance to ask questions and voice any concerns you may have. You will also get to meet other campers who are having the same surgery.

Cuff Camp meets the 1st and 3rd Monday of every month at 6 p.m. in our front lobby area in the medical office building.
