

JOINT CAMP

Texas Orthopedic Specialists

*Questions or concerns about your upcoming Joint Replacement Surgery?
Make plans to attend Joint Camp for more information.*

We want you to be better prepared for your surgery. Joint Camp will give you the opportunity to learn everything from preparing for surgery to being discharged and beginning your recovery. This is *your* chance to ask questions and voice any concerns you may have. You will also get to meet other campers who are having the same surgery.

Joint Camp meets the 2nd and 4th Monday of every month in our front lobby area in the medical office building.

Date: _____ Arriving at 5:45 p.m.

2425 Hwy 121 Bedford, TX 76021
