Dr. Sara Suttle is originally from Oklahoma, but moved to Texas as a child. After graduating high school, Dr. Suttle enlisted in the USAF Reserve. Here, she was trained as a surgical technician, which gave her invaluable experience during her collegiate and medical training. The Air Force took her to San Antonio, TX where she studied at The University of Texas at San Antonio. She graduated cum laude from UTSA with her Bachelor of Science in Biology. After completing her undergraduate work and finishing her career in the military, she attended Scholl College of Podiatric Medicine in North Chicago, IL on an academic scholarship and obtained her Doctor of Podiatric Medicine degree. She then completed a three year surgical residency at Kingwood Medical Center in Kingwood, TX where she served as Chief Resident during her final year.

Dr. Suttle is Board Qualified in both Foot Surgery and Reconstructive Rearfoot and Ankle Surgery. She is also an Associate of the American College of Foot and Ankle Surgeons as well as a member of the American Podiatric Medical Association and the Texas Podiatric Medical Association.
