FINANCIAL RESPONSIBILITY AGREEMENT

FINANCIAL RESPONSIBILITY AGREEMENT

I agree to assign insurance benefits to Texas Orthopedic Specialists, PLLC. We bill all insurance companies that we are contracted with as "network" providers as a courtesy to our patients. I acknowledge full financial responsibility for services rendered by Texas Orthopedic Specialists, PLLC, and authorize transfer of all unpaid amounts to me, which includes, but is not limited to, Co-pays, Deductibles, Co-Insurance, Pre-existing Clauses, excluded conditions and/or termination of coverage. I agree to pay all legal fees including attorney and court fees as well as collection costs in the event of default payment of charges that are my financial responsibility. I further authorize and request all insurance payments be made directly to Texas Orthopedic Specialists, PLLC. Payment is expected at the time of service. We will file your insurance as a courtesy to you. If your deductible has not been met and/or if you are responsible for a co-payment under your plan, we will expect the payment of such upon delivery of services and immediately upon the end of your visit. There will be a \$30 fee for returned checks.

PATIENT PRIVACY PRACTICES

initials We are committed to ensuring your Protected Health Information (PHI) remains confidential. Your paper and electronic medical records are safeguarded and released only with your consent or to your insurance carrier, other medical professionals directly involved with your care, or as required by law. Our "Notice of Privacy Practices" policy manual, which explains how your medical information may be used and disclosed, is available for your review or you are welcome to have a copy. If you would like to release your PHI to another doctor or facility you will be required to fill out a separate form to request your records.

CONSENT OF TREATMENT

initials I authorize Texas Orthopedic Specialists physicians and the physician assistants to evaluate and treat me or my family member for any orthopedic illness, injury or pain symptoms for which I seek medical care. I have read and understand the above clinic polices and I further acknowledge that I accept the terms outlined in each of the above policies.

PHYSICIAN ASSISTANT CONSENT

This facility has on staff certified physician assistants (PA-C) to assist in the delivery of orthopedic medical care. I acknowledge a physician assistant is not a physician. A PA-C is licensed by the state medical board and under the supervision of a physician can diagnose, treat, and monitor common acute and chronic diseases as well as provide health maintenance care. "Supervision" does NOT require constant physical presence of the supervising physician, but rather overseeing and accepting responsibility for the medical services provided. A list of services may be provided that are within the scope of practice for a PA-C upon request. I hereby acknowledge the above information and consent to the services of a certified PA for my health care needs. I understand that at any given time I can request to see the physician instead of the PA-C.

PROOF AND CHANGE OF INSURANCE

initials Patient are required to show both proof of insurance and a government-issued photo ID at their initial and subsequent visits. The patient (parent/legal guardian) is responsible for informing our office of any changes in your insurance coverage since your last visit. Please assure that notification is made no later than 24 hours prior to your appointment to avoid having to re-schedule your appointment.

DISABILITY PAPERWORK/MISSED APPOINTMENT POLICY/RADIOLOGY AND LAB FEES

initials Please give all forms regarding disability to the nursing staff. Please do not give these forms to the physician. Please note that there is a \$25.00 completion fee per form. You will need to expect 72 hours for these forms to be completed. Fill out the portion of the disability form that is for the patient and leave physician areas blank.

We must be notified at least 24 hours in advance of an appointment cancellation/need to reschedule. A \$50 fee may be charged for a no-show or late cancellation of appointments. Payment of this fee is the responsibility of the patient and is not covered by insurance.

You may incur additional charges from providers outside of your network for procedures done outside of our facility that may be part of your surgical procedure or radiological exam. This can include pathology, radiology and/or lab fees.

- Ihereby authorize Texas Orthopedic Specialists, PLLC, to release any information requested by the insurance company or companies or respective representatives and the respective representative represact as my agent to secure payment from any and all services rendered.
